Brainstorm your college essay

Wednesday, June 29

2 to 5 p.m.

One Technology Park Drive

Westford, Mass.

Three hours. Maximum of six students. For rising seniors only.

Presented by award-winning journalist Joyce Pellino Crane.

There is a story deep inside you that is yours alone. Finding it takes a little time and a lot of thinking. I'll lead you through brainstorming exercises that will help you discover your essence. Then we'll begin writing. The goal is for you to become so interested in telling your story that you don't want to stop writing. That's how you'll know you've nailed it.
